Warm Greetings,

As you are aware, due to the evolving developments and recommendations related to coronavirus (also referred to as COVID-19), Elan Academy Charter School has moved to online platforms and packets to provide instruction. In concert with these efforts, Elan Academy's Student Support Team (servicing students with Speech/Academic IEP's, 504 Plans, and English Language Learners) will continue to support and guide our students and families. We will continue to hold annual IEP/504 meetings via telephone and send home progress reports.

During this time, we are here to assist all the students, parents and teachers by modifying and/or scaffolding any work that the students need assistance with in class. We can also research and recommend supplemental videos and educational programs to help aid with the learning process.

For the students that receive speech services, there will be packets uploaded onto Google Classroom/e-mailed to parents and available in paper form on Wednesday, 3/18 at Elan Academy, from 9 am to 12 pm.

Additionally, for those students who are considered English Language Learners, we will email parents directly their child's log-in/password information to Duolingo.

Elan Academy's Student Support Team will have office hours from 11 am to 12 pm, Monday - Friday. If you have any questions or concerns, please feel free to reach out. #WeAreStrongerTogether
